Welcome to Your Solid Cedar Home

The Oasis Models

Oasis 1

3,600 Sq ft, of Living Space
5 Br, 5.5 Bath, 2 Car Garage

The Oasis 4 is a classic. This model features 2-story porches front and rear. A screened-in "owner's porch". Spacious upper floor kitchen, dining and great rooms with exposed ceiling beams and trusses. Solid cedar walls provide superior insulation and strength. Sound like too much wood? Arborwall is extremely flexible. Call us and find out.

Our Most Popular Model

Oasis 2

2,400 Sq ft, of Living Space
4 Br, 3 Bath, 2 Car Garage

A classic beach house look. Covered side porch entryway, bedroom balconies and upstairs loft overlooking family room. Kitchen, dining and great room on lower floor feature exposed timber ceiling joists. Upstairs bedrooms have cathedral ceilings with solid timber roof purlins. Beautiful, natural and customizable. Choose your options and invite your friends!

Floor Plans

Oasis 2

Oasis 3

1,800 Sq ft, of Living Space
3 Br, 3 Bath, 2 Car Garage

Covered garage-level entry. Private balconies for each bedroom. Spacious deck off family room. Add an optional rooftop deck and fireplace and you'll be in the envy of all your friends

Floor Plans

Oasis 4

1,800 Sq ft, of Living Space
3 Br, 3 Bath, 2 Car Garage

Covered garage-level entry. Private bathrooms for each bedroom. Exposed ceiling joists and roof purlins throughout. A beautiful alternative to drywall and vinyl!
